3.	Terminal disclaimer with disclaimer fee				
-,	Since this utility/plant application was filed on or after June 8, 1995,	no terminal disclaimer is required.			
	A terminal disclaimer (and disclaimer fee (37 CFR 1.20(d)) of \$				
	for other than a small entity) disclaiming the required period of tim	e is enclosed herewith (see			
	PTO/SB/63). STATEMENT: The entire delay in filing the required from the due date for	or the required reply until the filing of a			
4.	grantable petition under 37 CFR 1.137(b) was unintentional. [NOTE: The	e United States Patent and			
	Trademark Office may require additional information if there is a question as to whether either the				
	abandonment or the delay in filing a petition under 37 CFR 1.137(b) was unintentional (MPEP 711.03(c), subsections (III)(C) and (D)).]				
	WARNING:				
Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card					
authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.
